BUDGET & FINANCE      FY 1968 - Call for Budget Estimates  
To be submitted to O/PPB by 15 Aug 1966.

Austere guidelines to apply to 1968 budget.

The figures submitted by the DCI to the BOB represent the absolute upper limits which may be used for 1968 estimates and it is unlikely that these levels will be approved, therefore the DDS&T Offices were enjoined to consider all reasonable alternatives for accomplishing FY 1968 missions at lower costs.
